PONÚKAM PRÁCU | Upratovanie **01 Január 2026**

A gentleman with a smile, a sense of humor, and just enough charm to make your day a little brighter. I value honesty, good conversation, and people who appreciate simple things done with heart. Confident but never arrogant. Respectful but not boring. If you like wit with warmth — we might just get along... and maybe even share a few laughs over coffee. ☕
