Greetings, everyone!
My next solo recital is a benefit for the Ministry of Caring at the Sacred Heart Oratory, 10th & Monroe Streets in downtown Wilmington on Sunday, October 5 at 3 p.m.Tickets are $10.The program will last exactly one hour.The Oratory is handicapped accessible via the ground-floor side door and an elevator up to the sanctuary.There is some on-street parking on Monroe and on 10th Streets, and in a lot one block away at 10th & Jefferson.
Frederic Chopin said that he would have included Domenico Scarlatti in his concerts were it not for music critics who did not understand Scarlattis genius.Ive enjoyed combining these 2 composers in a program that illustrates how they revolutionized keyboard technique by composing "from the hand" in its kinesthetic relationship to the keyboard rather than predominantly from pre-conceived musical forms.Scarlattis sonorities have led me to believe that there must have been an early piano in the inventory of the King & Queen of Spain while Scarlatti was their resident composer.

Concerts begin at 3:00
Admission is $10.00
