About Polish TV Company

Who are we?We are a company of believers. We believe that every house deserves quality Polish television, because this is what makes us and our customers, this is what brings families together in the evening and Our team consists of customer service representatives that are always ready to answer any of your questions and ready to assist you with getting the right product and service. Another part of our team are developers that stay behind everything and make sure that you will get the best possible quality of service.

What do we do?We provide quality ethnic television service to all those in need of one. We work hard to find and collect the top TV channels so you can enjoy your favorite shows. Our team takes great effort in satisfying even the pickiest customer.

Why we do it?We?d love to make you feel like home even if you?re thousands of miles away. We believe that TV shows and movies are an important part of our culture therefore we want to help you maintain the connection and help promote it to the younger generation.
