BUY / SELL | Motor Vehicles **20 June 2021**

I want to sell my Fairly used 2018 Yamaha 300 HP 4-Stroke With a 25' Shaft Outboard Motor Engine, it's slightly used, works perfectly. Contact me through the following Email below:

THIS IS A FUEL INJECTED, FOUR STROKE OUTBOARD WITH POWER TRIM AND TILT.
MECHANICALLY THE MOTOR IS IN GREAT SHAPE. COMPRESSION WAS 200-210 PER CYLINDER. FIRES RIGHT UP, PUMPS GOOD WATER , SHIFTS SMOOTH AND SOUNDS EXCELLENT WHEN YOU RAP THE THROTTLE.

COSMETICALLY THE MOTOR LOOKS GREAT. THE PAINT AND DECALS ARE ALL ORIGINAL AND STILL SHINE. THE POWERHEAD IS SUPER CLEAN AND THE OVERALL CONDITION OF THE MOTOR WILL DEFINITELY MAKE THE NEW OWNER PROUD.
