I'm looking for a live-in housekeeper (Mon-Fri), could stay on the weekends. We live in Tenafly, Bergen County, there are 3 people living in the house (no children) and 3 dogs (not big and friendly). You don't have to feed or walk the dogs, no child care, just housekeeping and very light cooking. We're looking for somebody nice, honest and warm, somebody who speaks communicative english (ideally between 25-35 yrs old).
