Hello viewers, i am Teddy Jimmys, from USA NewYork, i want to use this opportunity to thank Prof Ibrahim for the great work he has done in my life. I had a very big misunderstanding with my husband and he said he do no longer want me again that he needs a divorce, i was heart broken, i was diverstated and confused, i didn't know what to do until one faithful day i saw a testimony of someone testifying about what Prof Ibrahim has done for her i never believed in magic or spell but i had no choice, i decided to give it a try, so i contacted him via his email (profibrahim98@gmail.com@gmail.com) he told me what i need to do which i did and he promised me that within 48 hours my husband was going to contact me, i didn't believed it 100%, so the second day morning as i was preparing to go to work i had my phone ring and i went to pick it up i was surprise it was my husband calling, i answered and he started apologizing to me, i forgave him because i love him so much, and now he has turned a new live he stopped all the bad things he used to do, now he loves me more than he used to before.
