Unleash the ultimate performance on the water with Yamaha’s 300 HP 4-Stroke Outboard – built for speed, strength, and reliability.

 Unmatched Power: Smooth, responsive acceleration with 300 horsepower at your command.
 Fuel Efficiency: Advanced 4-stroke technology gives you more time on the water, less at the pump.
 Quiet & Smooth Ride: Yamaha’s cutting-edge engineering delivers powerful performance without the noise.
 Built to Last: Rugged design and legendary Yamaha reliability keep you running season after season.
 Smart Technology: Integrated digital controls and monitoring for precision handling.

Whether you’re chasing fish offshore or enjoying high-speed runs, the Yamaha 300 HP 4-Stroke is engineered to take you further, faster, and stronger.

⚓ Yamaha – Reliability Starts Here.
