Hello, I'm looking for full time night time job, something like cleaning supermarkets, movie theaters etc., in the 30 miles radius from ABE (Allentown, Easton, Bethlehem area). I do understand some Polish, but can understand and speak fluently Czech, Slovak and English. I'd even appreciate any information about companies doing these type of jobs in my area. You can contact me at my email jarynek79@hotmail.com or my cell at 610-570-7949.
