Marcos Malinowsky - TRUNK SHOW Sunday, July 10, 2011 from 4pm. to 8pm. Thailand based artist Marcos Malinowsky in person! My bags come to life as a result of curiosity to answer simple questions : If one is going to combine, mix together elements arriving from creativity of several different cultures, would such process create a new visual experience? And to what degree such image can be considered "authentic" ? By showing up at the trunk show you not only will have an opportunity to acquire unique piece of art in form of tribal bag (at discount price), but you can win one by participating in lottery. There will be also few other objects to give away free, which could make your face smiling.
