Hello employers, I am currently living in Poland, however between september/october I am planning on coming to NY. I have already visited the USA and worked taking care of an elder and helping around the house. As of now i will gladly take up taking care of an elder, helping around the house, or taking care of a child. I am 55 years old, and I know English well enough to be able to communicate. I can speak fluent Russian. I posses an international driver license. Any offers please send an email.
