Public Adjuster Solicitor

The ideal candidate will possess cold calling experience, as well as excellent sales skills. Must have the knowledge of property insurance policies and their interpretation or have the ability to learn such policies. It is imperative for this position that the candidate be a highly motivated, self-starter, who can work independently on the street without support of the home office. Compensation for the position consists of top commission in the industry. All candidates will be required to pass the New Jersey and/or Pennsylvania Public Adjuster Exam and must be able to be bonded. Training will be provided at NO COST!

Martin, PA, NJ
