I need a nanny for my two kids, ages 1 and 3 years old.
Needed person with a car that can transport my son to and from preschool 3 times every week and a person that will take care of my 1 year old daughter.
Work 5 days in a week from Monday- Friday in the hours of 6:30am - 8:00pm sometimes shorter, depending on my husband's work trips. Responsibilities and tasks are cooking food for the children and feeding them, walks, light laundry, reading and playing with them. I am seeking a happy person that loves kids.
Financial reward: $500 per week.
