Hello, my name is Stan i'm 23 years old and i'm Russian but i live in Portugal Europe, i'm looking for my half of my heart some one that want chare life and love some one that realy looking for relationship a good and strong and healthy, and i want to marry that girl not becaus she lives in US or the financial status or what she have or not! but becaus of who she is as a person as woman as a girl! I look for woman with good personal caracters and she must be funny conservative, and when it is necessary to be serious and can deal with things. Now i'm very educated i know many languages as Russian, Portugues this includes Latin languages, and i'm professional designer in arquitecture area, and also i'm actor i did some novels here in Portugal and once i did also commercial for russia company Beeline, i also have sertificate as an Informatic teqnique, now i'm real about this and i want marry come tu US and have a stable and normal life and have a family, for more just contact me on Skype and we can talk and you can know me better look at me, and just see if we can result in a good realationship and healthy marriage and just have a life as one!
All about me is true ! i'm here not for playing games with some one feelings but i'm here for real love!

Best regards Stan.
