Women killed in legal abortions to no longer be swept under the rug

Today, Life Dynamics is releasing a new brochure revealing what happened to Marla and her unborn son, including ghastly photos from Marla's autopsy. Life Dynamics is also creating a new website on this issue called: SafeandLegal.com. This website will also feature the same graphic images contained in the brochure.

Please watch this emotional interview with Marla's mom and Mark Crutcher of Life Dynamics, Inc. describing the legal abortion death of her daughter Marla. This Jan 2013 edition of Life Talk introduces our latest project Safe and Legal. Today, Life Dynamics is releasing a new brochure revealing what happened to Marla and her unborn son, including ghastly photos from Marla's autopsy. The website with more details will be live soon at www.safeandlegal.com.
