1999 Audi A4 1.8T quarto, 5 speed manual, new turbine (about 4,000 miles old), minor body damage on the left side, a little shabby handles inside,abs light is on (abs sensor is faulty in one of the wheels) it has about 200000 miles on it but the car runs and drives well, tires r ok for another cupel thousand miles. Good gass mileage, safe on snow and rain 4WD. Good project car as well. KBB trade in value $3700 I'm asking $2300 Call or text (215) 869-9569
