Small trucking company is looking for an experienced dispatcher/office manager to grow and expand our business. We are looking for someone that could continue to manage our current operations while positioning company for growth. Individual must have good leadership skills, management skills, and problem solving skills. Company focuses on hauling freight in 53' Dry Vans on the East Coast. We also have car hauling operation, so car hauling dispatching experience is a plus. Please forward your résumé and email us.

Our office is located in Tobyhanna, PA.
