Outstanding situation available for a very high energy Nanny. We are seeking a well-educated, polished individual who adores working with older school aged children (10 years and older) and is completely flexible to stay overnight on a regular basis (several nights/week), sometimes without advance notice. The nanny must also welcome the opportunity to travel frequently, including internationally, for up to 3 or 4 weeks at a time. We are looking for a Nanny who is extremely active in sports and physical fitness and is a good role model in all areas including healthy eating, no smoking, etc.

Only those seeking a career as a nanny and able to make a long term commitment should apply.

Bachelor's degree in education is preferred; foreign language fluency a plus.

Excellent base salary plus overtime will be $40-$60K plus great benefits.
