Welcome!

I am the parent of two daughters 15 and 7 years. It Gretel and Patrycja - are different, but not worse. They have Autism.
Strange because you have a car, a doll, or a puzzle, and they are just Autism, such a gift of fate ...

This brave little kobietki! They are a little frightened environment, speed of action - but put them bravely face.

Rehabilitation and treatment of our children is very expensive. So please donate 1% of your taxes or support a small donation.

Every penny is very important to us - which is very hot in advance thank you. Your small financial contribution - HUGE CONTRIBUTION TO PARTICIPATE IN THE TREATMENT AND REHABILITATION OR OUR DAUGHTERS! -No Support your treatment is not possible.

To donate money for Gretel and Patricia very hot please send FOUNDATION JIM account, quoting donation for Gretel and Patricia Kosińskich
