Please, pray with us, along with many Catholics around the world, this Novena to Saint Michael the Archangel for Holy Mother the Church
Using any prayer that you may prefer during the novena, let us pray the most powerful celestial protector, SAINT MICHAEL THE ARCHANGEL, for special protection against the diabolical forces of pure evil attacking our Holy Mother the Church in the weeks and months ahead. The Church truly needs it. The novena goes from September 20 to September 29 (or September 19 to September 28, for those who prefer to end it on the eve of the feast), and a prayer suggestion is of course the long original version of the abbreviated version proposed by Pope Leo XIII and said after each Low Traditional Mass.
It is as follows: O GLORIOUS Prince of the heavenly host, Saint Michael the Archangel, defend us in the battle and fearful warfare that we are waging against the principalities and powers, against the rulers of this world of darkness, against the evil spirits. Come thou to the assistance of men, whom Almighty God created immortal, making them in His own image and likeness and redeeming them at a great price from the tyranny of Satan. Fight this day the battle of the Lord with thy legions of holy Angels, even as of old thou didst fight against Lucifer, the leader of the proud spirits and all his rebel angels, who were powerless to stand against thee, neither was their place found any more in heaven. And that great dragon was cast forth, the ancient serpent, who is called the devil and satan, who seduces the whole world; and he was cast forth upon Earth, and his angels were sent with him.
