God Our Father: Consecration and Feast Day for the Father of All Mankind,

The Father speaks to his children

"God is my Father!" This cry is being heard ever more frequently in today's world: people are coming to recognize that God is indeed their Father.

Consequently, we feel it our duty to publish a message, given to the world by God the Father through one of His creatures who loved Him so much, Sister Eugenia Elisabetta Ravasio, and recognized as valid by the Church.
