American Czestochowa would like to invite you to be a part of Living Crown of Mary. Place your own photograph, or of someone you love, in an envelope and mail it to our Shrine. You can also send your photo in electronic format. In this way we are wining a new continent for Mary. A continent which is the internet. Let us conquer it for Mary!
Submitted pictures (both paper and electronic) will be used to create a large mosaic of Our Lady of Czestochowa. The mosaic will be made from the submitted photographs and it will be displayed at our Shrine.
