Investigative Agency in Florida

We are pleased to inform you that on the area of North Port, FL, an investigative agency, Contra Risk-Consulting LLC has been established. We are a company that was formed on the basis of professional expertise of its mother company, Contra Risk-Management Ltd - the biggest investigative company in Europe with its registered office in Poland. CONTRA renders a wide range of investigative services both in the US and Europe. We offer you a full legal support and representation at court. We will also help you to submit procedural notices. We specialize in family matters, due diligence, finding missing persons, asset and debtors research and many others. We can also check your potential business partner and we can determine if your spouse or a spouse to be is reliable.
