Mary, Refuge of Holy Love says: "Praise be to Jesus."
"Today, the weather in your area is unaccommodating to outside activity.* You must plan your day in a way which does not take you into the dangerous cold. In the spiritual world, I invite you to see, it is often the same. The soul is exposed to much danger through exposure to evil elements and often is not aware of it. In the snowy weather, you take extra precautions by wearing warmer clothing. When the soul is exposed to evil - which is every day - he must take extra precautions as well. A sacramental life is a protection, as well as, many well-said rosaries. Pray to recognize evil so that you can avoid it. Pray for My Protection with the short prayer - 'Mary, Protectress of the Faith come to my aid."

"The inclement weather here** will pass quickly and you will welcome a new springtime. The dangers of evil will be ever present in this world, however. Be aware. The season for evil is always present."
* Much snow, extreme cold and strong winds.

Read Ecclesiastes 3:1-8 +
For everything there is a season, and a time for every matter under heaven:

a time to be born, and a time to die;
a time to plant, and a time to pluck up what is planted;
a time to kill, and a time to heal;
a time to break down, and a time to build up;
a time to weep, and a time to laugh;
a time to mourn, and a time to dance;
a time to cast away stones, and a time to gather stones together;
a time to embrace, and a time to refrain from embracing;
a time to seek, and a time to lose;
a time to keep, and a time to cast away;
a time to rend, and a time to sew;
a time to keep silence, and a time to speak;
a time to love, and a time to hate;
a time for war, and a time for peace.
