ARCHIVES | All **05 April 2017**

Highly motivated, intelligent and responsible man is looking for employment as a caregiver for seniors. I have my own car, I speak English and Russian languages , as well as very decent Polish. I have profound past experience in caring and supporting older people, particularly, with more difficult cases .Assistance walking, getting out of bed, (Hoyer Lifter) I believe that my key to any successful relationship in patient care is high adaptability and ability to improvise.
