Holy Love Ministry, Messages from Heaven - May 4, 2017

Mary, Refuge of Holy Love says: "Praise be to Jesus."

"Today, as I speak to you, this Mission* has challenged many to discover the Truth - the Truth that is Holy Love. Many have been misled by authorities in leadership positions. They are respectful of position and stature above recognizing or searching out the Truth. Sadly, you cannot trust just title in the Church or world anymore to give you the Truth. There are motives as to why people come against the genuine apparitions in the world today. Some, as I have said, are misled. Others may carry grudges because they wanted to be very important in the Mission, but were denied this. Still others may be jealous as the Mission has not been given to them. Then there are always the ones who feel the Mission competes with their own importance either financially or in influence. How sad it is to allow finances or popularity to convolute judgment."

"It is painful for Me to discuss these things, but they exist. These motives are in the hearts of many who knowingly oppose Heaven's intervention here.** Many souls are lost as a result. People do not find fault with their own actions, but hold the Mission up to a standard which defies the Truth."

"If you are honest with yourselves, you will not find fault with Holy Love which is Truth itself, but you will discover the error of your opposition. Avoid letting spiritual pride or spiritual envy being a part of your discernment."
