Feast of Mary, Refuge of Holy Love - 20th Anniversary

Our Lady comes as Refuge of Holy Love with a radiant light around Her and many angels in the light. She says: "Praise be to Jesus."

"Today, I offer you My Heart, Refuge of sinners, Fortress of strength and Sanctuary of peace. The door to My Heart is always open to one and all. This humble Refuge is but a stepping stone to the Majestic Heart of Jesus, wherein Truth abides."

"Dear children, you are never in any situation alone, but always have recourse to the Refuge of Holy Love that is My Heart. My Heart is always united to the Heart of My Son. Every petition you place in My Heart is, therefore, passed into My Son's Most Sacred Heart. Our Hearts are united just as we desire every heart be united."

"Holy Love has been pronounced in this day and age in a time when hatred is trying to overtake hearts. In this country (U.S.A.), Holy Love is making certain inroads, as it is now safer to proclaim Christian ideals publicly without fear of retribution. This is a victory for Holy Love."

"The Refuge of My Heart provides a safe haven for those who live in confusion. Holy Love dispels confusion and protects the Truth. Holy Love is Truth."

"Do not seek further a more intricate plan for your personal holiness, protection or strength. Everything is yours through Holy Love."
