Holy Love - Messages from Heaven, May 27, 2017

St. Francis de Sales says: "Praise be to Jesus."

"When you are accepting everything as from the Hand of God you are living in God's Will. This takes humility together with Holy Love. The partnership between humility and Holy Love is the foundation of every virtue. Every challenge to humility and Holy Love is a stepping stone to perfection."

"God's Provision is the grace each soul needs to live in His Will. It is impossible to increase in virtue without increasing in humility and Holy Love and consequently going deeper into the Divine Will. This describes the journey through the Chambers of the United Hearts."
