Truck has 3 years old transmission, new catalytic converters, new battery, end rods, 2 new tires, car alarm, interior shelves, aluminum roof racks, tune-up and brakes were done on December, engine is strong, transmission shifts smooth. I use high millage oil every 3K miles. It will earn money for a long time. I am only selling because i'm leaving States. Inspection valid till January 2018.

It needs 2 tires and bearing on front. See pictures for body.
