Once again, I (Maureen) see a Great Flame that I have come to know as the Heart of God the Father. He says: "I am God, Father of past, present and to come. I speak again to a world unprecedented in the acceptance of sin. The greatest sin in the world today is the sin of indifference as to what is good and what is evil. This indifference has flavored the choices of the heart of the world. It is easy to see evil in a leader who shows disregard for world peace and security. The Truth of such a one's rise to power however, lies in the indifference towards discernment between good and evil."

"I am calling leaders with sound judgment and moral standards to unite in opposition to evil governments. If you do so you can trust that I will strengthen your efforts. Do not be divided for the sake of political ambition. If evil leadership is not confronted and opposed, you will have no political career to pursue anyway."

Read 1 Maccabees 2:61-64 +

And so observe, from generation to generation, that none who put their trust in him will lack strength. Do not fear the words of a sinner, for his splendor will turn into dung and worms. Today he will be exalted, but tomorrow he will not be found, because he has returned to the dust, and his plans will perish. My children, be courageous and grow strong in the law, for by it you will gain honor.
