Davenport, IA Piano Tuning and Repair - Piano Tuning Service in Davenport, IA 52807

Please contact Craig Clough at (309) 786-8617. Or, by email at clough7@gmail.com If the answering machine is full, please send an email.

Tuning, repairing, rebuilding, restoring, refinishing, veneering, key top replacement, action regulating and restringing. Harpsichord and player piano service are also available.

Why not have your piano tuned by someone who can really play the piano and who knows how your piano should really play?

Complete internal and external restoration of pianos since 1974!

Thanks!
