I have house for rent , will be available November 1st , middle of November or December 1st, It depends on when the current tenant will move out, plus i have to inspect everything and refresh. Is two regular bedrooms and one big florida room in yard side, one bathroom, living room , dining room and kitchen. Big front porch, unfinished basement, high attic, fence backyard. Next day i will add some pictures, but u still can check online just tape addres. To move in i need two months security deposit, u can have a dog no extra charge.
