Feast of Our Lady of the Most Holy Rosary - 3:00 P.M. Service

(This Message was given in multiple parts over several days.)

Our Lady is first covered by two angel wings. They open and She is dressed as Our Lady of Fatima. She says: "Praise be to Jesus."

"Dear children, I am sent here, as always, to bring change to the heart of the world and to redirect man's efforts towards peace and security. Human effort apart from God will never result in this much sought-after peace. One hundred years ago at Fatima,** God entrusted the peace of the world to My Immaculate Heart. You know now that My Heart is Holy Love. Secure your peace by living in Holy Love. That is the path to conversion of the heart of the world. Each soul is a part of the heart of the world. Each soul determines the future of the world by his moment-to-moment choices."

"At Fatima, ecclesiastical approval was slow to come. This was a deterrent to belief. Many lives were lost in a war which I came to prevent as a result of this reluctance to accept My help. I pray you will not repeat this mistake here again."

"I warn you, reluctance to listen this time will result in something far more horrific than any war you have yet experienced on earth."

"Dear children, these are harrowing times - times when small decisions become great decisions and great decisions are made to seem miniscule. Today, I come to you for your ongoing welfare. I come to remind you of the power of your prayers. One 'Hail Mary' prayed from the heart has the power to convert a soul, stop a war or unravel evil plans hidden in hearts. When your prayers are united with all the prayer recited in that moment around the world, one prayer has infinite power. Think then of the power of one rosary. Consider the effect of many rosaries prayed throughout the day. Do not allow Satan to discourage your prayer efforts. Celebrate the gift of the rosary today."
