Once again, I (Maureen) see a Great Flame that I have come to know as the Heart of God the Father. He says: "I am the Father of all ages - the Eternal Now. I desire humanity find their peace and security in My Embrace. This can only be accomplished through obedience to My Commandments. It is this obedience that draws the soul into My Divine Will. Living in My Will is always a free-will choice. I dictated the Commandments, but I do not dictate your response. You must decide if you love Me enough to obey Me or not."

"The moment-to-moment choices you make tell Me how much or how little you love Me. Those who love Me the most are given the most recognizable direction, and led by Me along the path of complete surrender. Those who disregard My Commandments are led in confusion and left to the bad fruits of their poor decisions. You can readily see this in the public eye of politics and world leadership."

"Come into My Embrace."

Those who trust in him will understand truth,

and the faithful will abide with him in love,

because grace and mercy are upon his elect,

and he watches over his holy ones.
