

Finishing/Paint Department Foreman

Choice Cabinetry, LLC is looking for a Finishing Department Foreman to add to its expanding Fabrication Department. This is a full-time position based in Somerville, NJ.

The ideal candidate must have:

- 10+ years finishing experience.
- Experience with staining, painting, glazing, and sample making.
- Experience with commercial-grade finishes (lacquers, high-gloss systems, etc.).
- Experience working in a large spray booth.
- Ability to mix and custom match paint colors and stains.
- Ability to produce a high-end spray finish on various materials, including but not limited to woods such as oak, maple, cherry, walnut, teak, rift cut white oak, etc.
- Experience creating and maintaining paint project schedules.
- Ability to troubleshoot quality control issues including bubbling, inconsistent color tone, rough finish, and other common finishing problems that may arise on a regular basis
- Familiarity with the kitchen cabinet industry including cabinet types, sizes, kitchen layouts and configurations, as well as knowledge of various wood parts and moldings, fillers, corbels, appliques, accessories, etc.
- Candidate may be asked to perform spray test prior to being offered employment.

Requirements for this position include:

- Fluency in both English, Polish and Spanish is a plus
- Excellent organizational skills and attention to detail.
- Excellent problem-solving skills.
- The ability to stand/walk for long periods of time.
- Self-motivation and independence; the ability to simultaneously manage and complete tasks in a fast-paced industrial facility.
