Honda Pilot 2005 EX-L Sport 270000 miles $2900
Runs great. Sun roof. Very good condition car for its age with one owner and regular maintenance. Just bought new tires and battery, new rear brakes with rotors. This year replaced alternator, front suspension, replaced front valve cover gasket, replaced drive-serpentine belt, suspension strut shock absorber rear suspension both sides, control arms front suspension both sides, replaced starter motor.
FOR HVAC replaced: blower motor, compressor, condenser, recharged freon.
Minor scratches and needs work on catalytic converter.
