Mowimy po Polsku/Ukrainsku !

Seeking a shop supervisor/inventory specialist to manage the shop and deliver construction materials to job sites in the surrounding area and track/order inventory in our online system. You will also remove trash/debris from construction sites and dispose of it at local dump locations. A company vehicle, iPad, and materials will be provided. You will be responsible for cleaning out the truck and making sure the vehicle is maintained, including taking the vehicle in for scheduled maintenance. You must have at least some understanding of the construction field, a valid driver's license, and a clean driving record. You should be comfortable generally working alone and comfortable driving within 50 miles of Fairless Hills, PA.
This position will start at $20.00 per hour and will be full-time. Must be tech-savvy and have the ability to lift 50 lbs. un-assisted.
