

I am looking for a window and door installer who knows how to use the aluminum break. Must have their own handtools must be reliable, punctual, clean-cut, and well mannered. Also looking for a helper that is motivated and wants to learn this are must have a valid drivers license . I have guaranteed work Monday through Friday start at 7 AM finish when the job is done sometimes early sometimes normal time sometimes a little late. Starting pay will be \$200 a day and if I see you know what you're doing that will be easily increased. I'm very fair and I'm just looking for the right people. And if you can have your tools for work. Call my number 718-866-5708 Emil
