SZUKAMY Handyman/Maintenance Technician NA COMMERCIAL BUDYNKI W HAMILTON

Location: Hamilton, NJ
Job Type: Full-Time
Job Summary
Modern Recycled Spaces (www.modernrecycledspaces.com) specializes in refurbishing commercial buildings for rent as offices, warehouses, industrial units, artist studios and more. We are looking for a reliable and skilled Handyman / Maintenance Technician to assist with maintenance and repair tasks at several commercial buildings. The ideal candidate should be experienced with general repairs, troubleshooting, and routine building maintenance.
Responsibilities
• Perform general maintenance and repair work (doors, locks, drywall, flooring, etc.)
• Basic plumbing repairs (leaks, faucets, toilets)
• Basic electrical work (switches, outlets, light fixtures)
• Repair and maintain doors, windows, and hardware
• Painting, patching walls, and small carpentry work
• Assist with building inspections and preventative maintenance
• Respond to maintenance requests from tenants
• Coordinate with contractors when needed
• Keep maintenance areas clean and organized
• Report any larger repair issues to management
Requirements
• Previous handyman or maintenance experience preferred
• Basic knowledge of plumbing, electrical, carpentry, and general repairs
• Ability to use hand tools and power tools
• Valid driver’s license and reliable transportation
• Ability to lift up to 50 lbs
• Good problem-solving skills and attention to detail
• Ability to work independently
Preferred Qualifications
• Experience in property maintenance
• HVAC basic knowledge is a plus
• Experience working in commercial buildings

Compensation
• Great pay and benefits
How to Apply
Please send a short description of your experience and contact information to akasprzycki@modernrecycledspaces.com
